Dear clients, colleagues & friends,

Green Wealth Management Group (GWMG), LLC is proud to welcome Gordon Brown as an Insurance Advisor and 8th member of our team.

Gordon joins us from a successful career as both a Financial Professional and Associate Partner at New York Life Insurance Company (NYL) out of the Southern Connecticut General Office. While at NYL he focused on protection solutions for individuals, families, and business owners, and in his first year qualified for the Career Life Success Award and his first Executive Council. Gordon understands how protection solutions including life, disability, and long-term care are essential to a holistic financial plan. Together with the GWMG team, he will bring his knowledge and expertise in the insurance industry to help review clients' existing insurance solutions and provide new opportunities to help fill any coverage gaps. Gordon's process is rooted in the belief that *"Clients don't care how much you know, until they know how much you care."*

Prior to his career in the insurance industry, Gordon was one of the most successful swimming coaches in the state of Connecticut. During his 12-year career, he coached multiple state and zone champions at the club level, where his older swimmers continued on to compete at YMCA Nationals and Olympic Trials. Notably, he even coached a college-age swimmer to compete at the 2016 Olympics in Rio de Janeiro for the country of Rwanda. Gordon then decided to leave his coaching career and form a business with his wife that provides in-home services to children with special needs. His core beliefs about health and well-being support his knowledge of insurance and protection planning.
